GUIDE 14 · PRINT IT AND KEEP IT WITH YOUR KIT

AWAY FROM HOME

What you carry, the get-home bag and the car kit.

10 MIN	1	TEXT
of engine per hour if stranded	get-home bag	rather than call

01

EVERY DAY

- Charged phone and small power bank
- Keychain flashlight
- Some cash
- Card with contacts and allergies

02

GET-HOME BAG

- Comfortable shoes
- Water and an energy snack
- Rain jacket or warm layer
- Paper map of the route

03

ROAD SAFETY

- Your country's required items
- Jumper cables or jump starter
- Flashlight, gloves, first aid kit
- Car phone charger

04

IF YOU GET STRANDED

- Water and bars (swap them)
- Wool blanket and space blanket
- Chains, ice scraper and shovel
- Spare warm clothes

05

INSIDE THE CAR

- Stay inside unless in danger
- Engine 10 min per hour
- Exhaust clear of snow
- Window slightly open

06

LET PEOPLE KNOW

- Text your location
- Save battery
- Dome light at night so you're seen

! Your car is shelter and easier to spot than a person. Don't walk off into a blizzard or a flood.
